ACCOUNTS RECEIVABLE

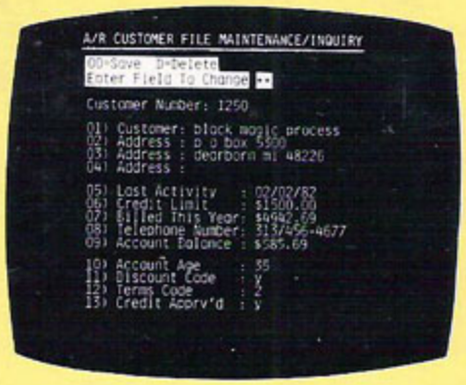
A comprehensive system to provide flexible billing of customers, maintains open invoice items, produces a series of management reports including an aged receivables listing, and provides for automatic statement preparation.

Features

- Provides for efficient billing, item descriptions, unit pricing and extensions
- Automatically posts billings to customer receivables record
- Provides flexible billing of any item and unit price
- Interfaces with the General Ledger System (purchased separately) for automated postings.



Provides a customer master file to keep track of each customer's account balance. A simple "fill-in-the-blanks" screen makes entry of information easy and efficient!

Key Reports

- Customer Listing
- Customer Statements
- Aged Receivables Report
- Customer Activity Report

Capacity

Customers per Disk	150
Open and Closed Invoices per Disk	375
Maximum Value per Entry	$999,999.99
Maximum Value per Invoice	$9,999,999.99
Number of Tax Codes	9

Technical Information: Requires Commodore Plus/4, Commodore disk drive and printer.

CUSTOMER SUPPORT

We have a knowledgeable support staff whose sole purpose is to provide telephone support. This service is available on a subscription basis for a fee of $25.00 per module. The Customer Support Subscription entitles you to one hour of support over a six-month period. You may enroll in this service by mailing this card or by calling our Support Department at (313) 334-9882.

BACK-UP DISKS - Your software disk is covered by a 90-day warranty against failure due to a faulty diskette. In the unlikely case of a diskette failure, having a back-up copy will prevent days of downtime. A back-up disk is available now, for $12.50, if this card is sent in with your registration card. Hereafter, a back-up disk is $25.00.

☐ I want to take advantage of your Customer Support Service - (Check Modules)
